* Bloomberg data definition: Consensus Target Price (fair value) provided by the analyst covering the stock.

This field is dependent upon the Data Source entered by the user in BE998, BEST_DATA_SOURCE_OVERRIDE.

A value of 'BST' will provide the 12 month target price consensus, which excludes prices older than three months when it is calculated.

** FY1: 1st Year forecast

** FY2: 2nd Year forecast

DISCLAIMER FOR RESEARCH REPORT

This report is solely for information and general circulation only and may not be published, circulated, reproduced or distributed in whole or in part to any other person without our written consent. This report should not be construed as an offer or solicitation for the subscription, purchase or sale of the securities mentioned herein. Whilst we have taken all reasonable care to ensure that the information contained in this publication is not untrue or misleading at the time of publication, we cannot guarantee its accuracy or completeness, and you should not act on it without first independently verifying its contents. Any opinion or estimate contained in this report is subject to change without notice. We have not given any consideration to and we have not made any investigation of the investment objectives, financial situation or particular needs of the recipient or any class of persons, and accordingly, no warranty whatsoever is given and no liability whatsoever is accepted for any loss arising whether directly or indirectly as a result of the recipient or any class of persons acting on such information or opinion or estimate. You may wish to seek advice from a financial adviser regarding the suitability of the securities mentioned herein, taking into consideration your investment objectives, financial situation or particular needs, before making a commitment to invest in the securities. OCBC Investment Research Pte Ltd, OCBC Securities Pte Ltd and their respective connected and associated corporations together with their respective directors and officers may have or take positions in the securities mentioned in this report and may also perform or seek to perform broking and other investment or securities related services for the corporations whose securities are mentioned in this report as well as other parties generally.

Privileged / confidential information may be contained in this document. If you are not the addressee indicated in this document (or responsible for delivery of this message to such person), you may not copy or deliver this message to anyone. Opinions, conclusions and other information in this document that do not relate to the official business of OCBC Investment Research Pte Ltd, OCBC Securities Pte Ltd and their respective connected and associated corporations shall not be understood as neither given nor endorsed.
